- Therapy Evaluations (if applicable/available)
- Therapy Progress Notes (notes should be dated within the past 24-48 hours)
- Progress Notes
- Discharge Summary (if applicable/available)
- Other Information (requests without a discharge summary):
 - Home Set-Up/ prior living situation
 - Caregiver Availability
 - Homebound Status

Recertification Authorization

- Face Sheet/ Demographic Information
- Progress Notes—all disciplines
- Recertification Oasis
- Recertification 485/POC
- Visit Notes (recent/up-to-date)
- Therapy Re-evaluations

Including a WellSky Expedited Request form with your expedited requests can help ensure faster turnaround and quicker final determinations. The form verifies that the member meets the CMS criteria for expedited requests. Without this form, our team will need to verify eligibility through other methods, which may cause processing delays. For more information on expedited requests, please refer to the FAQs on the Provider Resource Center.
